

GUARANTEE

We guarantee our services for 30 days post-treatment for any individual treated by us when all of the following are met:

1. the post-treatment head check appointment is scheduled and adhered to (for within 2–7 days of the treatment), and
2. every person living with the treated individual is also head checked by Elimilice, and if additional cases are identified, Elimilice treats the affected individual(s), and
3. preventative guidelines, including (at least) weekly head lice combing, are followed on an ongoing basis, and
4. evidence of the existence of head lice is brought to us for analysis.

the natural process for head lice elimination
